Military.

No 26
-2-1900

Dated Bangalore 7 August 1903.

Subject.

Petition from Regimentdar H. Krishna Rao late of the Local Service Regiment praying for increased rate ofpension etc.

- - - - - -

Mr. Krishna Rao was made Regi--mentdar on 11th April 1896.

In accordance with the Govt. Order of the 4th January 1900 he be--came entitled to an increase of Rs 10 and it was given to him in April 1900 which raised his pay from Rs 290/- to 300/-.

On 4th January 1903 he became entitled to a further increase of Rs 10/- but when he applied for the same the Chief Commandant recom--mended him for retirement. (vide Chief Commandant's letter No 2310 dated 11th March 1903.)

On a previous occasion I remark--ed I was of opinion that Officers should be recommended for their in--crease directly they had put in the qualifying service as otherwise delay might affect the amount of their pension.

In the present case however the 2nd increase which Mr. Krishna Rao was entitled to would not appreciably improve his pension.

In considering Mr. Krishna Rao's

claims it is only fair to point out that the pay drawn by a Regimentdar when Mr. Krishna Rao joined the Local Service Regiment was only Rs 300/- (maximum) and his pension after 40 years service was Rs 80/- per mensem.

Under the present revised rules Mr. Krishna Rao is entitled to a pension of Rs 150/- (half his pay) which is a far higher rate than he could possibly have obtained had the old Regulations, which he quotes regarding permission to remain in the service, and which induced him to serve, remained unchanged.

Submitted to His Highness.

The Chief Minister recommends favourable consideration of Rajmantri Krishnaswamy Iyengar's application for a Medal in Kaiser-i-Hind Gold Class, he is entitled to wear on 15th ~~April~~ May. The number is 200. His predecessors have been allowed to serve for a much longer time than he has served — and considering his services & family the services taken by the Chief Court seem to me to be reasonable & would recommend his case to the favourable & liberal consideration of His Highness. The number amounts to not exceeding 1% to keep a gentleman in his position in comfort and respectability in his declining years.

To The Dewan of Mysore.
Bangalore.

Respected Sir,

The Chief Commandant has this day communicated to me in his docket C no: 8 that Government have in their proceedings Military department no. 38-40/3 dated 4th July 1903, retired me on pension with effect from 1st August 1903, and I feel very happy to learn of this.

I have put in a service of 37 years and I am 54 years old. During this period I have been in charge of Government Flag Farm at Kemigal for some time and shortly after that assumed the Command of the Local Service Regiment and worked as a Commandant for 6 years and Seven months. With all this, I am unable to get a pension of Rs 200/- under the existing orders of the Government by remaining in service until the time allowed for obtaining it as I had not the chance of getting the appointment at the proper age. I may as well state here that my predecessors remained in Service for more than 42 years and till they were 60 or 64 years of age.

I

I have represented this matter to Chief Commandant who might have made it known to the Government and even represented the matter to the Government myself for the alteration of the rule so as to enable me to obtain full pension.

I belong to an ancient family in Mysore and my ancestors have all rendered valuable services to the State and have borne high reputations. Having regard to all the above said facts, I beg of you most respectfully to kindly confer on me a pension of Rs 200/- per mensem and a Commissioned appointment in the Imperial Service Regiment to my second son.

In Conclusion, I take this opportunity to request you further to kindly confer on me the appointment of an Aid. de. Camp to His Highness the Maharaja of Mysore.

I beg to remain,
Respected Sir,
Your most obedient Servant
H Krishna Rao, Regimentdar

The Regimental case referred to, has
put in 39 years service in all
including

including 7 Years as Commandant of the Local Service Regiment. He has also family grounds which Government might consider favorably in connection with his pension.

I think the rule fixing the period varying from 9 to 12 Years for Regimentdar and Ressaldars enable them to get their maximum pay is rather hard. Hence I have recommended the introduction of the Squadron System for promotions as vacancies occur. I have no objection to His Highness' Government giving any consideration regarding the pension to the Regimentdar under these circumstances.
